## 2014 - SPRING Term Internship

**KITE Invest** is a boutique investment consulting which focuses on foreign direct investment and whose primary objective is to facilitate investment transactions through various communication mediums. Since our official launch in the middle of last year, **KITE** has had tremendous response from the media, investors and investment opportunities alike. As a result of this interest and being a start-up agency, **KITE** is growing rapidly and thus, we accepting applications for an intern to assist and be a part of this forward thinking, unique investment agency.

**KITE** is seeking an intern to join the team and assist us with the daily functions of our growing agency. In return, the intern will partake in the growth and development of a small start-up company firsthand. The selected intern will have the opportunity to learn about finance in a global context. Areas of the scope of work include private equity, venture capital, venture philanthropy, investment opportunities and much more. As the intern, he/she will also be exposed to the international aspect of the agency's vision, and will thus, learn about the dynamics of countries bilateral, multilateral and economic relations, with a particular focus on foreign direct investment and emerging markets.

Tasks may include but are not limited to:

- Carrying out assignments in all four business units of KITE (Partners, Communications, Networking, Foundation)
- Assist with the maintenance of internal database
- Research leading trends in finance, business, international relations, marketing, communication, investments and many more
- Analysis of current events and country trends
- Producing and presenting preliminary research on different sectors and emerging markets
- Assisting with the KITE Invest Forum taking place in May
- Researching events

Intern Requirements:

- 4-6 hours weekly at KITE's office (exact times are flexible and negotiable)
- Immediate start
- Position maintained until end of May
- High level of English required
- Interest in international relations, economics and communications
- Proficient computer, Internet, and research skills
- Social networking, IT technology a plus
- Organizational skills helpful
- Professional, creativity, flexibility, eagerness to learn and a friendly outlook

*Please, note that this internship position is UNPAID, but possibility for future growth within the agency.*
